

REMARKS

The withdrawal of the restriction requirement and the allowance of claims 1 - 15 is acknowledged.

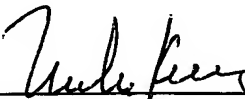

As to the objection to the title that the title of the invention is not descriptive, by the present amendment, the title has been amended to recite "Image Display Apparatus With Ultraviolet Ray Shield Resin Film and Process For Its Production" so as to be more clearly indicative of the claimed invention. Accordingly, acceptance of this title is requested.

Since the requirement for a new title has been presented, applicants submit that any informalities noted by the Examiner have now be overcome, and applicants request issuance of a notice of allowance in light of the allowance of claims 1 - 15, the only claims in this application.

To the extent necessary, applicants petition for an extension of time under 37 CFR 1.136. Please charge any shortage in the fees due in connection with the filing of this paper, including extension of time fees, to the deposit account of Antonelli, Terry, Stout & Kraus, LLP, Deposit Account No. 01-2135 (Case: 1113.42962X00), and please credit any excess fees to such deposit account.

Respectfully submitted,

ANTONELLI, TERRY, STOUT & KRAUS, LLP
